TIPS FOR ENJOYING ORLANDO

- Orlando is a **multi-cultural** and international city. Do not be surprised if you enter a store or restaurant and your host does not speak your language.
- For a look at area **restaurants**, check out <https://www.wintergardenpost.com/winter-garden-restaurants.html>
- Traffic can be heavy during the summer tourist season. Plan in-area travel accordingly, and be sure to make **reservations** for large party meals and Attractions.
- Orlando area **traffic lights** have cameras. Please watch for yellow and red light margins.
- There are several convenient **toll roads** in and around our conference center. Remember to bring quarters for tolls. Toll prices can range from \$.75 to \$2.50.
- A time and money saver is to order a free E-Pass sticker and pre-load a set amount. www.CFXWay.com

AREA ATTRACTIONS

Planning Your Trip

We are hoping that you **bring your entire family** to the 2022 GAN Family Conference. The Greater Orlando Metro Area is a wonderful vacation destination; full of interesting attractions and fun activities. Theme parks, restaurants of every flavor, museums, sporting events, and beautiful lakes and parks are the order of the day in Orlando.

Not every outing in Central Florida has a large admission cost. We encourage you to plan your trip ahead of your arrival and explore all of the adventure Orlando has to offer.

PREFERRED HOTELS

We have secured discounted hotel rates for GAN Conference attendees in two locations near our conference center. Mention Global Alliance Networks (GAN) with each of these to reserve the discounted rate.

While there are many hotels in and around the area, it is July in Orlando and rates increase during the tourist season. **Please book by May 1, 2022 to secure your discount.**

Note that our conference center is in Winter Garden, FL, a part of the Greater Orlando Metroplex. We have several hotel opportunities. Two in Clermont on State Route 50, a 21-minute drive from your hotel to our host church. Two in the Flamingo Crossings area. A 20 minute drive to the Conference center, and 2 minutes from Walt Disney World.
