

Family Financial Consistency

The Global Alliance Networks presbytery has established a guideline for the consistent financial base of our GAN family ministry. This is necessary to reach the goals that the Lord has set before us and meet the needs of our members. Financial consistency, through all of our family members, assures the ability for current and future ministry for our entire network.

The GAN presbytery encourages our family members to prayerfully consider helping to keep a financial constancy for the work of the fellowship in whole, through regular, monthly offerings and additional gifts as led to do so.

In as much, the following guideline has been established for minimum financial offerings by our members.

\$115.00 application fee for all new applicants (This includes fee for background check)

\$50.00 annual renewal fee for all members

\$30.00 per month for all members - Ordained, Licensed, and Associate

\$15.00 per month for all international and domestic missionaries serving with a sending agency

If you should have any questions about GAN Financial Consistency, please contact the GAN office or any member the presbytery.

We thank you for contributing faithfully to GAN, even more than the guideline listed above. We know the Lord will bless you abundantly, as you sow into our growing family. Thank you for helping to fulfill commitment to our members and see His kingdom extended through Global Alliance Networks.
